

**CERTIFICATION OF MY APPLICATION FOR A SCHOLARSHIP**

My full name is Krishnan Dhivyan. I have studied at St/Micheals College, Batticaloa from year 1996 to 2004. During the school days I was a prefect & participated in many school events such as English Days & Quiz competitions. Also I've got the highest marks (168) in year five scholarship examination in our district (Batticaloa) in 1995.

In 2005, I've got the entrance to follow the course of Medicine in newly opened, Faculty of Health Care Sciences, Eastern University. Now I've done completed the 2nd year end examination in above course. My registration no is EU/IS/2005/MED/25.

My Family States

There are four members in our family including me.

My father is a pensioner (retired railway employee) & he is 63 years old now. He is the only care taker of my studies and my sister's studies & medical expense. But it is difficult us to manage our expenses with that little money. (Monthly pension - Rs.11, 000/-). We have no source other than our father's pension.

My mother is a house wife & she is also 60 years old.

I have a younger sister & she also got her university entrance this year. She was affected by a disease (similar to Polio) at her age of nine months. Still she is suffering from that disease & her left upper & lower limbs are paralyzed. We have been spending a large amount of money on her medical expenses. (Monthly medical expense - around Rs.5, 000/-)

We had a house at Naavatkuda & it was damaged during civil war long ago. Since then we are residing at a house for rental at Batticaloa town.

As still I have to complete the 3rd, 4th & final years in the course of medicine, I must buy the following things. But these stuffs are very expensive to me to buy them on my own. As you requested I have listed them in the priority order with there cost & purchasing details. I've put star marks on the very essential materials.

Since my university entrance I have been struggling to manage my financial needs without troubling my parents. It'll be very grateful if some one helps me to purchase these things.

Yours truly
